

ABBINGTON

*We're excited to welcome you and your guests back into our facility!
To ensure a safe and enjoyable event we have made the following necessary precautions.
Thank you for your patience, support and understanding.*

Facemasks or coverings are mandatory for all guests and should be worn at all times.

Tables will be stationed a minimum of 6 ft. apart and are limited to groups of 10 or fewer.

We encourage all guests to keep 6 ft. apart from other guests while in public areas (i.e. restrooms, bar lines, facility foyer).

KEEPING YOU SAFE

We're dedicated to keeping you and your guests safe! We have implemented the following procedures for safe food preparation and handling for our staff:

- All staff is required to pass a pre-shift health screening
 - All staff is required to wear face masks and gloves
 - Hand washing required every 20-30 minutes
- Hand Sanitizer stations are available throughout the entire facility
- A Shift Safety Manager will ensure all protocols are being followed throughout the duration of your event
- Routine sanitizing of all shared surfaces and common areas will be done every 30 minutes

Your event. Our unparalleled experience.
